Transitional Kindergarten
"A Year to Grow"

- The TK classroom provides the opportunity for children that meet the age requirement to attend traditional Kindergarten, but need additional time to grow and develop physically, socially and academically prior to entering Kindergarten. In essence, the class will serve as a bridge for children that need the gift of time.
- The TK classroom consists of 14 students and two staff members.
- The children **must be five years old by August 31st** to be enrolled in our TK program.
- The TK classroom meets Monday through Friday from 9:00-12:30.
- The TK classroom has a comprehensive curriculum that will follow the philosophy of the school with emphasis based on the development of a five-year-old child.
- All families must turn in post registration paperwork no later than **March 19, 2021** and **May 2022 tuition** is due by **April 27th**.
 - To complete the TK registration process, you must complete the paperwork along with the registration fee (\$80.00) plus prepay May 2022 tuition.
- Gender balancing will be taken into account with class placement for new families.
- Financial assistance is available.
